

SPL8Q-LCR SOUND BAR

8" FULL-RANGE HIGH-OUTPUT LCR SOUND BAR - 4" DEPTH

(4-6) 8" (203mm) Low-Profile Aluminum Woofers
(12) 0.75" (19mm) Aluminum Dome Quad-Array Tweeter

The SPL8Q-LCR is a James premier full range, high output LCR SoundBar for large format video displays. Representing the ultimate home entertainment sound system, this SoundBar offers a powerful punch in an elegantly designed package. James all new quad tweeter array, incorporating four 0.75" (19 mm) aluminum dome tweeters in a 22.5° offset array for wide dispersion, high power handling and low distortion promises to deliver audiophile-quality where it counts. Combined with high output 8" (203 mm) aluminum cone woofers, the SPL8Q-LCR has an impressive 96dB sensitivity with bass down to below 60Hz. This SoundBar comes custom sized to each TV, providing seamless integration to any environment. This combination of elegant design and high quality sound makes the SPL8Q-LCR the perfect no-compromise solution for designers and audiophiles alike.

The cabinet design features all aircraft grade aluminum for strength, sonic performance, and suitability for outdoor/marine applications. Complete with a custom fit and colored stainless steel perforated grille, this SoundBar mounts directly to any TV. Also available for wall mounting or configurable for other custom applications, this ultimate sound SoundBar is perfect for any home entertainment solution.

Brackets ordered separately. For outdoor/marine applications, order the SPL8Q-LCR-M.
